Ohana Room

Located on the lower level of the restaurant, The Grille Room showcases glass-paneled doors opening up to the 18th Fairway and putting green. This private dining space is ideal for smaller wedding receptions, late night parties and may also be rented for dancing following dinner in the Main Dining Room.

Molokai Lawn

As one of the largest private spaces on Maui's West Side, the Molokai Lawn is large enough to accommodate an event of 500 and yet is intimate enough for a small group of 40. This space will have your Guests surrounded by all the beauty of the island, including spectacular ocean views.

Lower Lawn

Just steps from the restaurant, the Lower Lawn extends from The Plantation House's front patio offering clear views of the ocean and golf course fairways. This is the perfect space for hosting an intimate wedding ceremony or a larger cocktail reception.

Fleming's Lawn

This space is sure to provide an authentic outdoor tropical Hawaiian experience. You and your guests will be surrounded by lush greenery & views of the Planation Golf Course.

Dining Room Lanai

Offering ocean views of the Kapalua coastline, this area is ideal for parties of 15-30 and allows all of your Guests to enjoy window seating.

Dining Room Lanai + Partial Dining Room

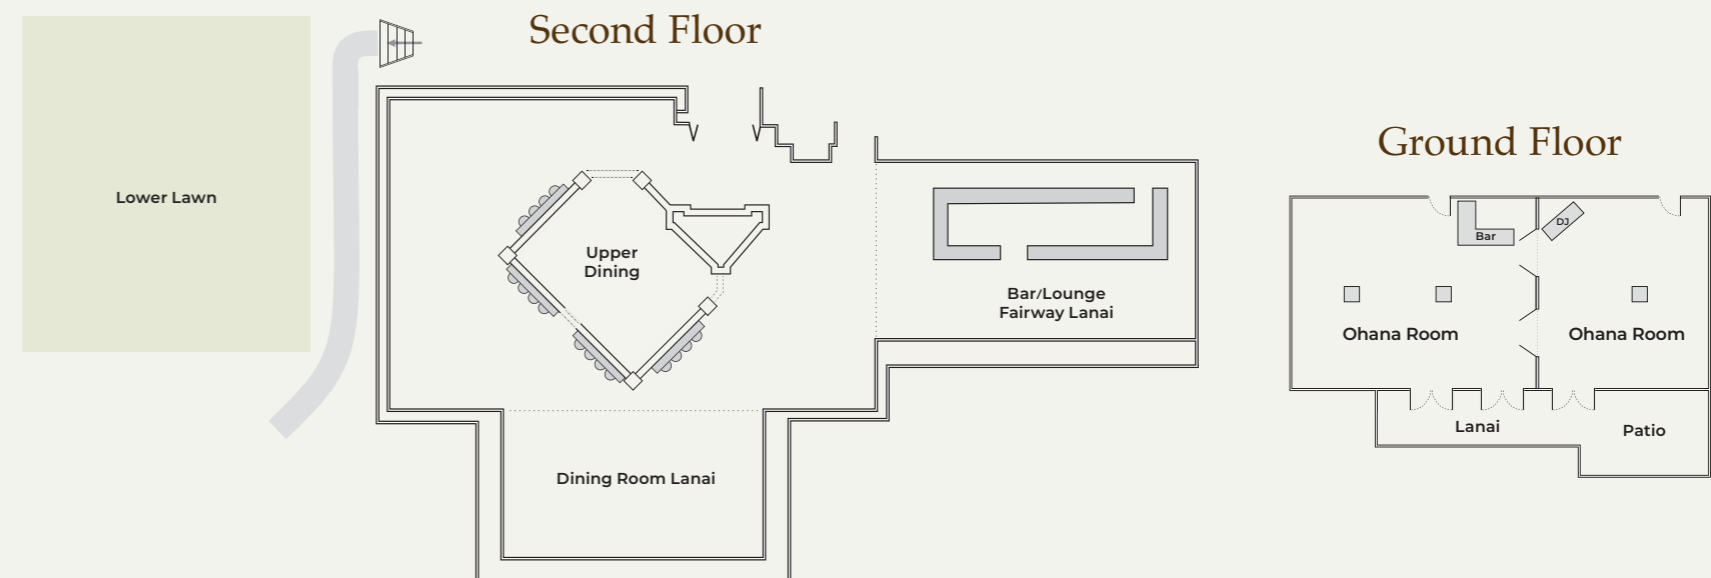

A combination of the Dining Room Lanai and adjacent Dining Room makes this the most versatile space in the restaurant, offering options to use both round and rectangular tables.

Upper Dining Room

Set in the heart of the restaurant and raised off the main floor, this space boasts a double-sided fireplace, expansive vaulted ceilings and outstanding panoramic views of the restaurant and ocean.
